

AMBASSADOR

We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. 2 Corinthians 5:20 NIV

OPPORTUNITY

For the creative mind, we have openings in **desktop publishing, web design, PowerPoint, video and audio production**. No college can compete with the number of hours you can log on high-end software and hardware platforms that do almost anything your creative mind can think of. Are you a writer? Opportunities exist in that area as well.

For those who have abilities in organization, opportunities exist in the **administrative and accounting departments**.

All interns are encouraged to have a "fit in" attitude. For example, you may be assigned to the accounting department, but on a certain day pulled to help out in a video production.

TRAINING

While learning useful skills, you are teamed with a staff member who assists you in developing personal Bible Study skills—skills that you will use for a lifetime. What you learn in your studies must be expressed verbally to another intern or staff member. It is each one learning to teach one, each one knowing how to reach one. An emphasis on communicating an accurate and clear presentation of the gospel is part of the internship.

While you intern with GoodSeed, we encourage involvement in leading Bible studies, counseling at camps or helping in backyard Bible clubs.

What about money?

GoodSeed does not charge a fee for your internship. Interns provide their own support and are often fully supported by churches or friends. But if not, working a part-time job to maintain life while ministering with GoodSeed is acceptable.

Interning with GoodSeed is not just about work. GoodSeed staff are dedicated missionaries with a passion for the gospel. What they “bring to the mix” is something that can only be caught, not taught.

WHO

Any individual with an approved Christian testimony may qualify. You need no prior experience in media or administration. We will train you in the skills you need for the job. We only ask you to give us a reasonable return on our investment.

WHAT

A GoodSeed Internship involves an exchange. You assist us in the ministry; we assist you with hands-on training in a job and one-on-one guidance in spiritual growth and Bible Study.

WHEN

The intern program is set up for maximum flexibility. You can start any month of the year except December, assuming a slot is open for you. The normal internship is a minimum of one year or the duration of a project assignment.

WHERE

We have two bases of operation: one in Alberta, Canada, and one in Idaho, USA. Interns must be prepared for the possibility of travel to seminars. In some cases, assignments can take you briefly overseas.

WHY

As an intern, you will provide much-needed help to our ministry. At the same time, you will work with an award-winning team of media professionals, who will train and equip you with practical experience for the future.

How do I start?

Contact us for a “Getting Acquainted” form. Once you have introduced yourself to us, we will call you to discuss your specific interests. If you are accepted, we will provide you with information to help explain to your friends and church family just what you will be doing.
