

4. Recall God's covenant with Israel during the time of Moses in Exodus 19:5-6: "*You will be for me a kingdom of priests and a holy nation.*" From the 1 Peter passage, how are believers today called to be a kingdom of priests?

5. Think about the priests' duties in the tabernacle. How can we serve God by applying the lessons we learned from each component of the tabernacle?

6. Recall the special clothing that the priests had to wear in the tabernacle to be in God's presence (Exodus 28). In light of Romans 13:14 and Galatians 3:26-27, how are believers to clothe themselves today?

Optional further reading: A good exercise and review at this point would be to read through the whole book of Hebrews.
